GALA HONOREE

Wanda M. Pauling

Wanda M. Pauling is a life-long patron of the arts who has always loved bringing music, literature, and art together. Her late husband, Dr. Fred W. Pauling, was a talented cardiovascular surgeon who would often relax by retiring to his art room to

paint. Together they enjoyed collecting, supporting, and creating opportunities to experience the arts — especially for children.

Wanda has generously supported the Pearl in a variety of ways, including the gift of a Steinway grand piano, underwriting the Pearlformance concert series, and volunteering as a museum docent.

Married 56 years with two cherished children and two granddaughters, the Paulings' generosity and love for the arts has enriched our community in beautiful ways. We are delighted to honor Wanda at the 2018 Pearls of Art Gala.
